

Revelle's Rockin' Tap Companies

Revelle's Rockin Tap Company & Jr. Tap Company are carefully guided under the direction of Mary Clarke. Each company meets once per week for 60 or 90 minutes respectively & rehearses choreography to be performed at local events & performances. Company members also perform three times per year at Revelle's Showcase Evening. Company members may enter the companies through an audition held in the Fall & another after Winter Break.
