

WHY CHOOSE REVELLE'S RECREATIONAL DANCER PROGRAM

1. Each Revelle student receives excellent training from top quality instructors in a safe, secure neighborhood , in a professional grade facility with sprung floors.
2. The Recreational Schedule is flexible allowing the student to pick as few or as many classes as desired to suit his/her needs.
3. Each Revelle student will receive one fabulous Performing opportunity per enrolled class in Revelle Academy's 2011 Spring Recital (optional).
4. Parents or students may elect to purchase the Unlimited Class Pass, which keeps the monthly tuition cost at a not to exceed amount regardless of the student's appetite for classes.
5. Registered students have the opportunity to be members in one of Revelle Academy's three dance Companies (Rockin' Tap Company, Medici Ballet or Medici Ballet II)

At Revelle Academy, you never need to wonder if you are getting your money's worth. Here are some of the benefits the dancer will be receiving while taking dance lessons at Revelle:

All instructors are highly qualified and trained in the disciplines of dance they teach. The dancer receives the most advantageous training in every class. You will not need to wonder if the training is sufficient for the dancer if he/she at a later dated decides to train to be a professional. You would not want to find out too late that the training that was received was not good enough quality.

Our facility is the best in the entire Manasota area with sprung wood floors (essential for dancer's tendon, joint and muscular health), Marley overlay, large hallways for stretching and warming up, large dressing rooms and a full service retail dancewear store available for your every dancewear need.

We offer 1-3 fabulous performing opportunities for students per year at major venues, including an end of the year Recital and 2 classical ballets. Students will not find better performing opportunities anywhere else!

Revelle Academy offers a high class selection (with over 50 classes held per week) and continues to offer over 21 different genres of performing arts classes every year.

We feel confident that you will have all your dance needs met at Revelle, and look forward to the opportunity to work with you and your dancer.
